

NOTEWORTHY PROPERTY INCIDENTS (HOMES, GARDENS & VEHICLES):

Police Scotland has provided the following list of incidents which have occurred in your area the last two weeks as a snapshot of the current crime trends. All incidents are not recorded below, either for legal reasons or where there are issues of sensitivity. The statistics below should not be seen as an accurate reflection of all crime in your area but as a way of raising your awareness to crime in general. This in turn should allow you to take the appropriate safety/security steps to prevent yourself from being a victim of crime.

Because there is only one incident recorded for Aberdeenshire in this period, incidents recorded in the City are included for comparison.
